3 (Whereupon, the on the record proceedings began at
4 2:38 p.m., on Wednesday, December 21, 2005, in Judge's
5 Chambers.)

6

7 THE COURT: The parties have informed me that they
8 have reached a settlement in this case. My understanding is
9 that the material terms would be:

10 That Rheon agrees to reduce the price of the
11 machines by \$21,100, is that correct?

12 MR. TRIBECK: \$20,100.

13 THE COURT: \$20,100, thank you. Also, to forgive

14 any interest running on the equipment. I'm not sure this needs
15 to be part of the agreement, but the parties have indicated,
16 that is Rheon and Pellegrino, on behalf of Rheon, they will
17 agree to service those machines as may be necessary in the
18 future, provided that prior to any service being performed, the
19 payment therefore is received up front. They have also agreed
20 to send a service technician or technicians to install and/or
21 service the roller or pin, if you will, the equipment that
22 would increase the productivity of the machines. Once again,
23 provided that cash is received up front prior to any service
24 being performed.

25 On behalf of Mr. Pellegrino, the plaintiff has

3

1 represented that his company will make best efforts, having
2 already tried to contact its banker, to pay for the balance,
3 the cost of the machinery within 10 days. But in no event more
4 than 15 days from today's date. In the event that payment is
5 not received within 15 days of today's date, they agree, that
6 is Pellegrino, agrees to the entry of a judgment against it in
7 the full amount of the original contract price, plus interest.

8 With respect to California First Leasing

9 Corporation, California First Leasing Corporation has agreed to
10 pay the total sum of \$3,000 to Rheon USA.

11 And it's also contemplated that all parties will
12 execute mutual releases after the appropriate funds have
13 changed hands.

14 MS. BONSALL: We should get the release as soon as
15 we pay the \$3,000, right?

16 THE COURT: Right, when you pay, you're done.

17 MS. BONSALL: From everybody?

18 THE COURT: From everybody. Although, they never
19 really had a claim against you to begin with. Did I leave
20 anything out that is material?

21 MR. TRIBECK: The return of the tools or parts.

22 MR. PELLEGRINO: We kind of what to make sure the
23 roller is coming into the plant to increase productivity and
24 we'll hire the service people to show us how to use it. In the
25 event it doesn't work, I guess we want to make sure we don't

1 need something that doesn't work, you follow what I'm saying.

2 MR. TRIBECK: My understanding is you're going to

3 return it. If you want to buy it, you can buy it.

4 THE COURT: Right. But if you don't want to buy it,

5 you don't have to buy it.

6 MR. PELLEGRINO: What I'm trying to say is the

7 roller's at the plant, it was going to increase the

8 productivity. The technicians were going to show us how to

9 increase that productivity that they thought they could do with

10 the roller. In the event that the roller does not work and

11 bring the efficiency, the productivity up, we must use a piece

12 of machine that we don't need, didn't use it, it's kind of a

13 gray area.

14 THE COURT: It's not a gray area, forget about it.

15 It's not part of this settlement agreement. That is a case for

16 a different day.

17 MR. TRIBECK: With this settlement those things are

18 all coming back to us.

19 THE COURT: If you want to buy them, you buy them.

20 MR. PELLEGRINO: Okay.

21 MR. TRIBECK: The agreement is you'll return those

22 items within 10 days as well.

23 THE COURT: If you want to buy them, like anything

24 else you take the risk, either they work or they don't. That

25 is a battle for another day, that's not part of this case. As

5

1 far as I'm concerned, the only thing I would ask you do is that

2 when all the dust is clear, is you file a Rule 41

3 discontinuance. As far as I'm concerned, I'm administratively

4 closing this case. All right, thank you, counsel.

5

6 (Whereupon, at 2:42 p.m., the settlement proceedings

7 were concluded.)
